2023 Season Wrap Up

The 2023 golf season at The Harvest Golf Club opened for play one week later than anticipated back on March 24th. Despite the cold spring followed by an arid summer, playing conditions remained favourable all season long. Membership overall participation exceeded expectations, reaching 70%. We are extremely encouraged by the overall quality of turf going into the winter season. If El Nino delivers on its promise, we should receive a mild winter season, which should boast well for enjoying good course conditioning early in the season.

We sincerely hope that you will be able to join us on Sunday, March 10th, for the renewed Harvest Members Spring Reception, the first one since March 2020. Otherwise, we look forward to seeing you on opening day, scheduled for Friday, March 22nd, 2024.

As we bid farewell to the 2023 golf season, we would like to express our gratitude for your dedicated support during this 2023 golf season. Wishing you a safe and healthy winter season ahead. See you all next spring!

Warmest Regards,

Gilles Dufort
General Manager/Executive Golf Professional
The Harvest Golf Club LTD.
