Important Notice - Masa's Grill

Dear Harvest Golf Club Members,

We would like to notify you of an important change regarding Masa's Grill breakfast service.

We regret to inform you that effective Monday, June 26th, Masa's Grill will temporarily be unable to offer full breakfast service Monday through Friday. However, Masa's Grill will open at 11:00 a.m. and continue to provide full lunch and dinner service.

We will still offer our regular a la carte breakfast on Saturdays and Sundays with regular business hours.

During the weekdays, the clubhouse building will still remain open for your comfort, and we will continue to provide some limited offerings such as coffee, tea, juices, and a selection of continental type breakfast items such as muffins, pastries and parfaits.

This difficult decision has been made due to the ongoing labour shortage that the food and beverage industry as a whole has been facing, which has now unfortunately also affected the Harvest Golf Club. With breakfast being the least busy time for our restaurant, we feel that by making this adjustment, it will allow us to reallocate our kitchen team and resources and allow us to continue to deliver a complete premier dining experience during lunch and dinner hours.

We will continue to try to fill the necessary vacancies as soon as we can with the goal of being able to resume full services at first opportunity.

We would like to sincerely thank you in advance for your patience and understanding during these challenging times. The Harvest Golf Club and Masa's Grill remain fully committed to providing the highest quality culinary experience that has made the Harvest Golf Club over the years a very popular eatery.

If you have any questions, please do not hesitate to contact our food and beverage team.

The Harvest Golf Club values and appreciates its membership and your ongoing support. Thank you for your understanding.

Wishing you a pleasant summer season.

Sincerely,

Gilles Dufort

General Manager/Executive Professional
