We are pleased to announce Masa's Grill will now be accepting reservations through OpenTable. Over the past year, Masa's Grill has seen an influx of phone calls inquiring about reservations upwards of 30% of previous levels. With this increased demand, THGC has deemed it necessary to obtain a more robust booking system to help alleviate any frustrations with securing a reservation. So, we would like to encourage everyone to proceed to make Masa's Grill reservations on this new system. It will allow you to obtain a reservation online and through the corresponding mobile apps to your phone's operating system, whichever is most convenient for you. Of course, Masa's Grill will still accept phone calls for special requests, but we urge all members to make reservations through this new system to offer the best service possible. This reservation system will be going live on **Monday, June 6th.**

You can make reservations at the following website:
