Irrigation Project Open House **April 6th, 12 pm - 3 pm**

Dear Harvest Golf Club Members,

We are thrilled to invite you to an open house information session about the Irrigation Installation Project that will be ongoing for the 2024 and 2025 Seasons. Please Join us on Saturday, April 6th, between 12 pm and 3 pm to gather information about this exciting and extremely elaborate project.

Our goal is to be enlightening and informative as we delve into the intricacies of this elaborate Irrigation Project. Joining us will be a distinguished panel, including The Harvest Golf Club Maintenance department, General Manager Gilles Dufort, and Head Golf Professional Bruce Vermeë. A PowerPoint displaying the scope of work to be completed by AP Irrigation will also be presented.

This Open House is the perfect opportunity for all members to understand better what will unfold during the next two seasons. This project will be a game changer for the Harvest Golf Club's overall golf course condition and playability of the golf course.

We look forward to seeing you on Saturday, April 6th, at The Harvest Golf Club in the Dining Room for what promises to be a genuinely enlightening event.

Please Remember When Submitting Ballots:

Accurate accounting of all group participants is MANDATORY. Players "to be determined" or "I will put Jim in and check with him later" is not permitted. Any duplicated ballot will be rejected.

Only 1 person in the group can submit a ballot request. This person is designated as the "Captain." We strongly recommend that any corrections to ballot or tee time after submission be completed by the captain to prevent mistakes/duplication. We rely on all members to work together to ensure fairness and impartiality to the booking system.

Our goal is to reducing no-shows, last-minute cancellations that would preclude other members from accessing valuable tee times and result in cost opportunities to THGC. Our Professional Golf Shop Staff will monitor daily submission activities of the ballot system to ensure fairness to the ballot system. Our goal for the 2023 season is to continue to provide fair access to all members and enjoy a premier experience.
