## Frost Delay

As we're aware, blue skies can sometimes lead to frost delays without warning. Kindly remember to check with the Golf Shop to confirm the daily status of any potential frost delay. Frost may persist until the end of April. It remains the members' responsibility to be punctual for their tee time or any reassigned tee time resulting from the ever-changing landscape of a frost delay.

## Ballot Submission

Please ensure that captains confirm the availability of all players submitted on the ballot. We encourage you to continue balloting 8-14 days in advance to submit your requests. Tee sheet confirmations will be emailed out daily, seven days in advance.

## Membership Packages

If you have not yet received your membership package, it is available for pick up seven days a week from dawn until dusk in the Golf Shop.

## On Course Washrooms

Due to water access the On-Course Washrooms (Men's & Women's) will be unavailable during the first week of operation. We will update you in the coming days once we are able to provide this service. Thank you for your patience and understanding regarding this matter.
