# Book Your TaylorMade Fitting

## Experience Fall Golf with TaylorMade!

As fall descends and daylight wanes, TaylorMade club fittings continue in full swing. Late-season golf in the Okanagan presents unique challenges: heavy morning dew, denser air, and more moisture.

TaylorMade's new equipment, combined with custom fitting, will help you rise to the occasion.

### **Mastering Soggy Conditions**

The redesigned P790 irons offer AI-optimized weighting and speed foam air technology for high, soft-landing iron shots. These irons are tailored to your needs, ensuring the ideal flight.

### **Unmatched Spin on Wet Greens**

Introducing the new Milled Grind 4 Wedges, designed for superior spin even in wet conditions. The innovative groove design features laser-etched Spin Treads and a raw face to maximize spin in all conditions.

### **The Legend Returns: Spider Tour**

TaylorMade is thrilled to reintroduce the legendary Spider Tour putter, now better than ever. With two new models and enhanced technology, it's a game-changer for your putting.

Book your fitting today and be the first to experience our latest releases, ensuring you're well-prepared for a fantastic fall golf season!

# Club Storage Pickup

With the end of the season fast approaching, please note that all club and cart storage items must be picked up by **October 20th** to facilitate winter maintenance preparations. If you're participating in the Ironman, your items must be retrieved no later than  
than  
**October 22nd.**

Thank you for your cooperation in ensuring a smooth transition into the off-season.
