The order deadline is **Monday, July 10th and all sales are cash only**. Due to the warm and wet spring, the cherries will be a great size, and their sugar levels will be good! Last year in 2022, cherry-picking started on July 24th. This year picking is expected to be two weeks earlier, depending on climatic conditions from now until then. Because of the uncertainty, anyone placing an order will be contacted via phone or email to arrange pickup on a pre-determined date.
