Celebrating Sean

Richardson

It is difficult to believe it has been almost a year since Sean Richardson, Harvest Golf Academy Director of Instruction, passed away after a multi-year battle with cancer. Sean was not only one of Canada's great Golf Coaches, but he was also an incredible family man and a friend to many. He is missed at The Harvest every day.

Due to COVID-19, we were not able to properly acknowledge Sean in 2021. The Harvest Golf Club is pleased to announce that on **April 23rd, 2022**, we will be hosting "Celebrating Sean Richardson" day. This day will be held in the arena that Sean loved and provided so much expertise and enjoyment for golfers of all levels – The Harvest Practice Facility. It will be a day featuring instruction to both juniors and adults, onsite BBQ, TaylorMade Long Drive and Putting contests for Custom Fit TaylorMade Stealth Driver and Putter, and a Silent Auction featuring golf at some of British Columbia's premier Golf Courses and an apparel/shoe package from Adidas Golf.

These events will raise funds for two causes close to Sean's heart- the Sean Richardson Memorial Scholarship at UBCO and a chance to subsidize competitive junior golfers who may not have the means to travel and compete at an elite level.

Schedule of Events
