

Chelsea Point System

Time of Day	Points
6:00am to 12:00pm	2
12:01pm to 3:59pm	1
4:00pm to 7:00pm	0

League	Points
Ladies Day	2
Senior Men's Day	2
Men's Night	1

How Are Points Allocated?

- Points are allocated to each individual the day of play.
- Number of points will be allocated based on the time of day (chart above).
- 0.10 of a point will be deducted per hour that your teetime differentiates from your requested(ballot) teetime. Example: requested 9am and received 12:00pm, 2 points- 0.3(3hours) = 1.7 points.

Point Totals

- Points will stay with you for 30 consecutive days.
- On the 31st day, the points from Day 1 drops off & is replaced by points from day 31. On the 32nd day, the points from Day 2 drops off & is replaced by points from day 32. etc.

Chelsea Lottery

- Requests (Ballots) can be made 8 to 14 days in advance.
- A tee time request will add up all the players in the group and get the average per group Example: a foursome has a total of 12 points – 3.0 average for the group.
- Chelsea will take every request and prioritize from **lowest to highest group average**. The group with the lowest average will get placed first and go down the line until all groups are placed or until there are no available member times left.
- Groups not getting placed onto teesheet during lottery get automatically placed to overflow(waitlist).
- 7 days in advance the Chelsea Lottery will take place and the teesheet will be created. Members will receive email notification for their teetime. Members will be able to see any available teetimes after the lottery takes place.
