## **Congratulations to our Grand Prize Winners!!!**

We would like to take this opportunity to thank all of our club members for participating in our 2022 Early Membership Renewal Campaign. We are extremely pleased with the positive response we have received during this campaign.

We would like to sincerely thank all of our members for their loyal and dedicated support of The Harvest Golf Club. Even though the 2021 golf season has just concluded, we are hard at work and very much look forward to the 2022 season.

On behalf of everyone at The Harvest Golf Club, let me take this opportunity in wishing you all a safe, healthy and comfortable holiday season.

Warmest Regards,
