CHERRIES

The Lapin cherries variety are now expected to be picked in between July 17 through the 20th almost two weeks later than usual (weather permitting). Okanagan cherry crops suffered severe damage this Spring after nighttime temperatures dropped to -8 Celsius in early April, this after the initial buddings had occurred destroying upwards of 50 % of the crop in the process. Further damage has now been caused by the excessive amount of rain and much cooler temperature experienced these last six weeks. Mani Gill our orchard leasee is now expecting approximately 40/45 thousand pounds to be harvested.

Cherries can be purchased in boxes of 20 pounds only (same as years past) the cost of one box is \$60.00 or \$3.00 per pound. To place an order, please contact me personally and I will gladly add your name to our list. When ready, we will contact you to arrange day/time of pick up. Mode of payment; only cash or cheque will be accepted.

COURSE CLOSURE

Golf Shop Opening Hours

5:30 am

Please note that Friday, July 24th the golf course and driving range both will be closed to accommodate the Annual CHBA Golf Tournament who's been with The Harvest Golf Club for 14 years. Because of the pandemic and requirements for social distancing, shot gun start golf tournaments can not be conducted safely, consequently this tournament will be played through regular tee time intervals. July 24th, Masa's Grill will be open for operation from 7:30 am for breakfast, lunch and dinner.

We presently only have one more course closure, Thursday, September 17th to facilitate the Annual Kelowna Chamber Of Commerce Golf Tournament.

Please mark both dates on your calendar to alleviate disappointment.

PEOPLE MOVER/VALET PICK UP

Effective Monday, July 20th, we are pleased to notify you that we will be resuming parking valet pick up service, but with a twist!! Our Club Attendants will gladly pick up your golf clubs at your vehicle and assist you for bag drop at the front of the golf shop by offering hands-on service for Pull Carts and Power Carts use. For your own and our Teammates safety, we will not allow passengers on the people mover from the parking lot to the Golf Shop unless you are physically unable. Since inception in 1994, THGC has proudly offered this standard of customer service which has long become the corner stone of our customer service delivery. We are extremely happy to re-enact it and take one step closer to normalcy.

Kindest Regards,
Gilles Dufort
Executive Professional/General Manager
The Harvest Golf Club LTD.
