The Harvest
Golf Club

Friendly Reminders

Now that we are 7 days into the season, a couple of friendly reminders:

Please continue to social distance and always wear a mask when inside any buildings while not seated at a dining table. We must all do our part to ensure a **safe environment**. This is imperative to stay open, enjoy the great golf, food, and drink.

The golf shop needs a minimum of 24 hours in advance for any changes to your golf group. Though the cold weather has led to a slower start, we know going forward that all tee times will be highly sought after.

Please remember to fix your divots and your ball marks, this will go a long way in repairing the golf course as we enter the growing season!

An alternative app to use would be the [Golf Canada app](#), as it has the same GPS tracking and scoring features.
