## Golf Update May 13th

After the introduction of public play as well as the further opening of the driving range on Friday, May 8<sup>th</sup>, I am pleased to report that protocols and social distancing measures were fully abided by. Since opening day back on April 17<sup>th</sup>, continuous putting was initially promoted to ensure proper social distancing, but interestingly one positive by-product has been the much improved speed of play with rounds averaging 4 hours or less, appreciating this approach is different than the normal method of play. We would like to thank you for your cooperation and hope this has increased your overall enjoyment in the process. Given this very positive result, we will continue to strongly encourage and promote continuous putting to the benefit of all.

**Effective Monday, May 18<sup>th</sup>**

time cancellations/changes and provide all members the opportunity to access tee times. With high demands persisting still in trying to accommodate members, we ask that you respectfully give us 72-hour advance notice of any changes. When booking, you must provide all participants names either online or by contacting the golf shop directly. For THGC to deliver the best possible service to all members, it is paramount that the golf shop teammates and first tee attendants know who is playing in each tee time. We will continue to monitor this situation closely moving forward and reserve the right to contact any members who may fail to notify THGC of any changes.

### **Member Packages**

Please be reminded, if you have not picked up your membership package (especially corporate members), please stop by the Golf Shop before your next round to pick it up.

Stay Safe & Healthy!

Respectfully,
