Friendly Reminder

The Harvest Golf Club ask that all golfers keep their golf bags with them at all times to avoid them getting watered with the irrigation system. Quite often there is only a small 3-4 minute window to water areas that have been fertilized. These small windows allow for watering in before burning the turf or being stepped on and transferring onto guests shoes or pull cart wheels. This will also help eliminate the risk of unknowingly soaking golf bags when sprinklers are activated remotely.

Sr. Men's Day Addition

A reminder to all members: Due to the cancellation or postponement of the Kelowna Chamber of Commerce Tournament (May 26). Wednesday, May 26th, will now include a Sr. Men's Day & Alumni Group. Members can begin balloting for Wednesday, May 26th on May 12th. The Seniors block will be from 6:54am - 9:45am. Please ballot accordingly.
