Additional Information

Dancing

You may hire a DJ or band for your guests' enjoyment for dancing following dinner. There is a 15 x 15 hardwood dance floor in the dining room. There is an Entandem (Socan music license) fee that must be purchased, a government regulated fee for the use of licensed music in the amount of \$90.12 plus tax. For your convenience, we take care of the music license for you.

Sound System

The Harvest Golf Club does have an in-house sound system for your use for speeches and background music during dinner. We recommend that you rent a sound system for the dance portion of the evening as well as outside should your ceremony be on-site. We can also provide background dinner music via our satellite system if required. If you have hired a DJ, they will typically provide the sound equipment for the evening.

Decorations

You are welcome to bring in your own centrepieces with pre-approval from the Sales Department. Tealights and votives are permitted as long as they are contained.

Should there be any wax damage, a fee may be assessed for clean up. Tapered candles (unless dripless), confetti, nails & staples into the wood are not permitted. Should you have table runners or overlays, we require them the night prior to your wedding as The Harvest Golf Club will place them on the tables for you.

The dining room is available for decorating as of 9:00am or earlier if required on the morning of your wedding. Should the room be available the night prior, we can allow setup, however, this is not confirmed until closer to the wedding day.

Wedding cakes and flowers may be stored at The Harvest Golf Club on the day of your wedding. All items belonging to the wedding must be removed from the premises the evening of the wedding otherwise a storage fee of \$500 will be charged as we do not have storage space for all the events taking place at The Harvest.

Parking

On-site parking is available at no charge. We do permit guests to leave their vehicles overnight if needed. You may arrange a safe ride home for your guests or we can arrange for a taxi ride at the end of the evening through our team.

Deposit & Payment Requirements

To secure your reception space, a non-refundable deposit of \$2,000.00 is required and due two weeks after booking. This is applied as a credit to the final bill. Then there is 100% pre-payment due two weeks prior to your wedding. This is based on the minimum number of guests. An estimate for food and beverage will be prepared for you at this time.

Enclosed is further information for your review and consideration. If we can be of any further assistance, please do not hesitate to call me on my direct line at 250.862.3109 or via e-mail at tgraham@harvestgolf.com.
