Celebrating Sean Richardson

It is difficult to believe it has been almost 3 years since Sean Richardson, Harvest Golf Academy Director of Instruction, passed away after a multi-year battle with cancer. Sean was not only one of Canada's great Golf Coaches, but he was also an incredible family man and a friend to many. His presence is missed at The Harvest every day.

The Harvest Golf Club is pleased to announce that on **April 20th, 2024**, we will be hosting "Celebrating Sean Richardson" day. This day will be held in the arena that Sean loved and provided so much expertise and enjoyment for golfers of all levels – The Harvest Practice Facility. It will be a day featuring instruction to both juniors and adults, onsite BBQ, TaylorMade long drive and putting contests for custom fit TaylorMade Qi10 driver and a Taylormade spider putter, and a silent auction featuring golf at some of the Okanagan's premier golf courses.

These events will raise funds for two causes close to Sean's heart- the Sean Richardson Memorial Scholarship at UBCO and school age golfers in the Kelowna area.
