Social Responsibility

Do Not Come to the Club if:

- 1. You have returned less than 14 days from anywhere outside of Canada**
- 2. You have a fever, cough, or flu like symptoms or been in contact or reside with someone who does.**

As we are anticipating a very busy opening weekend, we want to remind everyone to familiarize yourself with all protocols & measures(available to view on Harvest Website) before visiting the Harvest for the first time. All measures will be strictly enforced. Please cooperate with all Harvest Team-Mates directive at all times. We are all in this together.

Given the strict restriction we are currently under, Green Aeration originally scheduled on April 15th will not be performed. Next Green Aeration is now scheduled for Tuesday, October 13th. This will provide excellent course conditions for all to enjoy!

Stay Safe & Healthy

We look forward to seeing you soon!
