December 1st, 2020

Congratulations to our Grand Prize Winners!!!

We would like to take this opportunity to thank all of our club members for participating in our 2021 Early Membership Renewal Campaign. We are extremely pleased with the positive response we have received during this campaign. Even in the midst of a pandemic, golf should continue to be the perfect outdoor activity during these difficult times.

We would like to sincerely thank all of our members for their loyal and dedicated support of The Harvest Golf Club. Even though the 2020 golf season has just concluded, we are hard at work and very much look forward to the 2021 season.

On behalf of everyone at The Harvest Golf Club, let me take this opportunity in wishing you all a safe, healthy and comfortable holiday season.

Warmest Regards,

Gilles Dufort

General Manager/Executive Professional
The Harvest Golf Club LTD.
