The Harvest
Golf Club

Dear Harvest Members,

Please be reminded that tomorrow night Sunday, June 14th at 10:00 pm and from that day forward, members will be able to start booking 14 days in advance. What does this mean for tomorrow night? You will be able to book for June 22nd and the entire week leading to June 29th inclusively. In order to allow all of you to progress from 7 to 14 days booking we had to select a specific week where you could leap and book for that entire subsequent week.

Couple of foot notes; First as we are anticipating an extreme large volume of members logging on the online system simultaneously at 10:00 pm, we cannot predict how effectively our online Club Prophet system might respond with the expected excessive demands. We also expect the system to remain busy for a longer period, or until all times have been booked. Additionally, with members attempting to secure multiple tee times for that 7 days cycle, please beware of your days/times/playing partners booked and prevent double/triple bookings, so we may provide all members equal access to valuable tee times.

After the last system update to fix some ongoing issues was deemed successful, but as a byproduct of this update, it was discovered that some members booking inside the permitted time period were able to see available tee times, but

were unsuccessful acquiring them online and had to call the golf shop to reserve. Note, the golf shop phone lines will be open Monday morning, June 15th at 5:30 am to assist you in any way possible to make changes or finalize times. Club Prophet is addressing this issue at this time and we hope for a resolution soon.

I would like to sincerely thank you in advance for your support through this process. Again, member's play remains at an all time high and I recognize that tee times have been harder to access than years past. Still, members are accessing the golf course at an all time record, which has been most gratifying seeing members enjoying their favorite pastime in company of

congenial friends.

Stay Safe & Healthy!

Respectfully,
Gilles Dufort
