Junior Camps

With 2020 being a season of no Junior Camps, 2021 has been a breath of fresh air having the younger generation back on the grounds. With the end of the final Junior Camp wrapping up today and the final semester of the Operation 36 Junior Program around the corner, it is safe to say that it has been a very successful 2021 season for juniors.

Jeff Overholt, who joined The Harvest Golf Academy Spring 2021 with a strong junior coaching background from the Ontario PGA, and has grown the Junior Programs to new heights. With over 120 juniors enrolled between the two different programs, Jeff, with the help of The Harvest staff, has been paramount to introducing the future generations to the wonderful game of golf.

We are delighted to have Jeff Overholt on The Harvest team as well to see the future of golf continue to grow here at THGC.

Cooper Humphreys

Cooper Humphreys is a name you may recognize from around THGC. If you don't recognize it, you will be hearing it a lot more in the future. Cooper Humphreys is a previous student of Sean Richardson, and a current Grow Through Golf member here at The Harvest.

Cooper, at age 16, has been making waves across Canada with his golfing ability. Cooper's most recent event was The 2021 Canadian Junior Boys Championship, where he finished T2 with a score of -9, only one stroke behind the winner (full results [here](#)). Cooper won the Juvenile Boys division (ages 16 and under) with a 13 stroke victory, which is the largest margin of victory since Kevin Kwon held the record in 2011.
