The Harvest Golf Club

Opening Day - March 23rd

Due to the climatic conditions over the past week and the forecasted weather, THGC will be delaying our 2022 start date from March 18th to Wednesday,

Monday to Friday

9 am to 5 pm

until March 22nd

March 23rd. The cold nights have limited grounds crew access to the golf course, which has hindered progress in preparing the golf course for the previously proposed opening date. We want to ensure enjoyable playing conditions for all members while protecting the golf course, which is highly vulnerable in the shoulder seasons. We are expecting another extremely busy golf season after record-breaking rounds in 2021.

Ballot Submission

Because of the delay of opening day, THGC will remove ballots submitted between March 18th & 22nd from the Chelsea system. However, with the release of this newsletter, the submission period to ballot for Wednesday, March 23rd is open, and you can ballot for opening day.

Frost Delay

Please be aware that with the possibility of frost due to cold overnight temperatures during March and April, frost delays may occur without warning.
