## Friendly Reminders

### Membership Packages

All membership packages are available for pickup, and recommend you do as it contains essential information about the 2022 golf season.

### Frost Delay

Please be aware that with the possibility of frost due to cold overnight temperatures during March and April, frost delays may occur without warning. Historically, we have experienced frost delays until later April.

### Maintenance Projects

Sand will be placed in bunkers on #1, 2 & 16, starting on Monday, March 28th and this project may take upwards of 3 days to complete. Please note on Tuesday the 29th and Wednesday the 30th, and all golfers will begin their round on the 10th hole to minimize disruptions during play; scope of work on holes #1&2 (a total of 6 bunkers will be worked on)

## Membership Request

We want to encourage all members to repair divots and ball marks at this very vulnerable time. As you may be aware, sand and seed stations are located at the first and tenth tee, pull carts and power carts. Sand and seed mix should only be utilized on tees and fairways or bentgrass surfaces. Note that all rough areas throughout the golf course are cultivated in bluegrass.

## Tee Time Updates

We respectfully request you notify the golf shop minimum of 24 hours in advance of any changes to your tee time. This will allow for the golf shop to offer a more timely member service and alleviate any miscommunication for ever-changing groups.
