## Rakes Return to THGC

In recent months more has been said about the virus and its potency for outdoor touch points. Recent science indicates that the virus transmission level is extremely low for any devices or surfaces residing outdoors. This, combined with the current rate of vaccination (as of May 27th national average, 53.7%). THGC is confident that Monday, May 31st would be an ideal time to reintroduce on course rakes in bunkers, as well as ball gathers at both practice chipping greens. THGC is pleased to take this important step towards normalcy. Given the level of play we have experienced in both last year and thus far the 2021, bunker footprints and overall condition have consequently been substandard as our maintenance team can only rake the bunkers once prior to play in the morning.

With the reintroduction of rakes to on course bunkers we are encouraging all members/ guests to rake bunkers after use, in trying to provide improved condition and moving towards the highest standard of playing conditions. For your comfort, we encourage all members to carry the portable hand sanitizer provided at the beginning of the season to ensure your comfort and sanitation level.

**Open 1 hour  
prior to first tee  
time**

**May 10th - 23rd**

**5:30am**

**May 24th - July**

With the Tuesday, May 25th BC Provincial Health announcement THGC will be running in parallel with the health authorities to take steps to return to normalcy and help restore expected golf etiquette moving forward.
