On behalf of our Owners, Directors, Myself & The Entire Harvest Team, we would like to take this opportunity to sincerely thank you for a wonderful 2020 golf season! We appreciate that this season was abnormal for all of us on many levels. We are extremely pleased that golf provided all of our members a wonderful social and much needed diversion from this pandemic. 2020 was certainly not easy to navigate but now that the season has come to a close, work is already underway to provide you with what we hope will be a smooth and enjoyable 2021 golf season.

Wishing all of you and your respective families a safe, healthy, and enjoyable winter season!

Warmest Regards,
