The Harvest
Golf Club

On behalf of our owners, directors, myself & the entire Harvest team, I would like to take this opportunity to thank you for a wonderful 2021 golf season! After experiencing a most unusual 2020 golf season, we entered the 2021 golf season with high hopes that THGC could restore conditions and course accessibility. Among the various measures taken, the introduction of the Chelsea ballot system proved to be highly effective and believed to allow members fair and equitable access all season long.

Still, this season was not without challenges, indoor seating restrictions in the spring, much cooler temperatures, followed by record-breaking heat in late June, smoke hovering over Kelowna for the better part of July and August, and travel restrictions made 2021 an interesting year to navigate. Yet, despite these everchanging conditions, The Harvest Golf Club has recorded over 43,500 rounds, the most rounds ever played since inception.

As you may have witnessed, on-course maintenance projects have been ongoing. This is to ensure next season can be equally successful and enjoyable to our fine club members.

Let me take this opportunity to wish you a healthy and enjoyable winter season, and with the border reopening soon, wherever your travel may take you. See you on opening day next season, Friday, March 18th, 2022 (weather permitting).

Golf Shop
Winter Hours

Monday to
Friday
9 am - 5 pm

Saturday &
Sunday
